

20 Time Brainstorming Guide

Day 1:

1. List all of the things you've ever wanted to do, physically, and never been able to.

archery - bullseye, Darts - 180, Charity work for the homeless, fly,

2. List all of the things you've ever wanted to do, mentally, and never been able to.

have telekenesis, learn a language, write a book,

3. Think of some ways you might be able to help your community.

fundraiser, food drive, buy blankets for homeless

4. Think of some ways you might be able to help your school.

Create new clubs for different sports or activities

5. Think of some hobbies you've always wanted to try but never got around to figuring them out or learning more about them.

Blacksmith, swordplay, woodwork

Now, choose your favorite three from above and freewrite on each of them for 5 minutes each.

Do this exercise on a separate sheet of paper and staple it to this handout. Use the questions below as a guide.

What would your goal be? How would you get there? Would you need any help? How can you work on this every week? What would your 20 Time look like in class?

Researching

Day 2:

My 20 Time Project is going to be An interview show about extra-curricular activities for students.

My final product/goal/accomplishment will be a full episode with segments and an interview, maybe more if I have enough time

What do I need to know about my topic to be successful? (Now research these items and staple
